The **1st Annual Gallery Art Show**, August 26th was a success and plans for next year are already underway. We had 13 artists showing a variety of works: woodwork, drawings, pottery, papier mache', fluid paintings, photography, etc. Pieces were sold, artists and attendees were happy and we had a table full of non-perishable items that was donated to the VFW.

Spartan Fest was Saturday, September 23rd at Culpepper Park. Through the rain, thunder and hail the Spartans conquered, final score 15-9 Spartans!

This year is a year of firsts and we are having another one: **Daleville's "Fall into Winter" Arts & Crafts Bazaar**. We are looking for vendors and attendees. Cost for a booth is \$50.00; entry fee for attendees is 2 non-perishable food items or \$5 donation. Mark your calendars November 17th, 3:00 - 8:00 pm & November 18th, 9:00 am - 3:00 pm
